Just forwarded this and your next email with the State's app to Jessica. Go ahead and send her version B when you have it.

Sylvia –

Here are the documents you requested, except for Version “B” of the primacy MOA and the HQ file version of Attachment 2 (which has notes identifying aquifers not to be exempted), which may need to be scanned. I added the main primacy transmittal from R9 to HQ.

I will try to send the State's primacy application separately.
